Outstanding WINE GIFTS

Founded on a philosophy that perfection has no endpoint, we believe that effort and ambition make all the difference. But we will leave no stone (or vine) unturned until we find it. Our wines have quickly gained a world-class reputation, winning many major awards and the acclaim of leading wine experts.

HOW WILL YOUR WINE GIFTS BE SENT?

Your wine gifts, whether it's one bottle or 12, will be carefully packaged in Levantine Hill boxes suitable for shipping and sent to the gift recipient for their enjoyment.

OPTIONAL GIFT BOXING

Whilst all of our wines come in branded cartons, if you would like to send your wines in individual gift boxes, this can be organised for \$5 per single bottle box.

Some of our products come with their own gift boxing (for example our large format wines, and our Limited Edition Sparkling Rosé).

INDIVIDUAL SHIPPING AND PERSONALISED E-CARDS

We offer the option of personalised shipping to each of your gift recipients as well as the option of personalised e-cards that can include your logo and a personal note.

Our Optume wines embody the sum of our people and of our work, showcasing years of meticulous effort by our winemaker Paul Bridgeman to create a wine expressing the Yarra Valley. The rarity of these wines results from the pulling together of the strengths and expressions of a small number of select grapes. The end result is a masterpiece in wine. Each bottle is accompanied by an individually numbered key that unlocks the magnificent contents inside the wine's hand-made gift box.
